PROTECTION, PROTECTION. Home Mutual Fire and Marine Insur-

THIS company is established on the mutual prom-ciple of insurance; and is emphatically a home institution. The fire risks of this company are ex-tended into all parts of this State. Its earnings are tended into all parts of this State. Its earnings are never employed or invested in stocks or real estate, but kept for the prompt figuriation of losses and under the immediate control of the Directors. Every per-son insuring with this company becomes interested in its success, and its profits, instead of being divided among a few stockholders, belong to those who insure in this company.

in its success, and its profits, instead of being divided among a few stockholders, belong to those who insure in this company.

This company are taking risks upon real estate, stocks in trade and personal property, situated within the State of Missouri. They have innited the amount to be taken in a block in this city, carefully avoiding concentration of risks. This company issue their policies for aterm of years, effecting a permanent insurance at rates that cannot but prove satisfactory to that a sured, with a return premium of from fifteen to fifty per cent., for the term of years which the policy may rui.

Notwithstanding the heavy loss sustained by this Company in May last, the stock notes now on hand amount to \$350,000. The Stock notes now on hand amount to \$350,000. The Stock notes of this Company are secured by lien, upon real estate and approved endorsers.
